WHO WE ARE

Likit Granit is the leading producer of high-quality flake in Europe, backed by 25 years of expertise in polyvinyl manufacturing. Since 2022, we have proudly served the American market, maintaining a steady inventory of 300,000 lbs of flake stock per month to meet growing demand.

To enhance efficiency and ensure seamless service, we established **Doka Floor Art and Design USA** in 2023. Doka's primary mission is to facilitate direct, hassle-free delivery from our factory to our valued customers across the United States and Canada
